# DI WALLPAPER

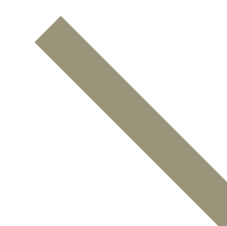

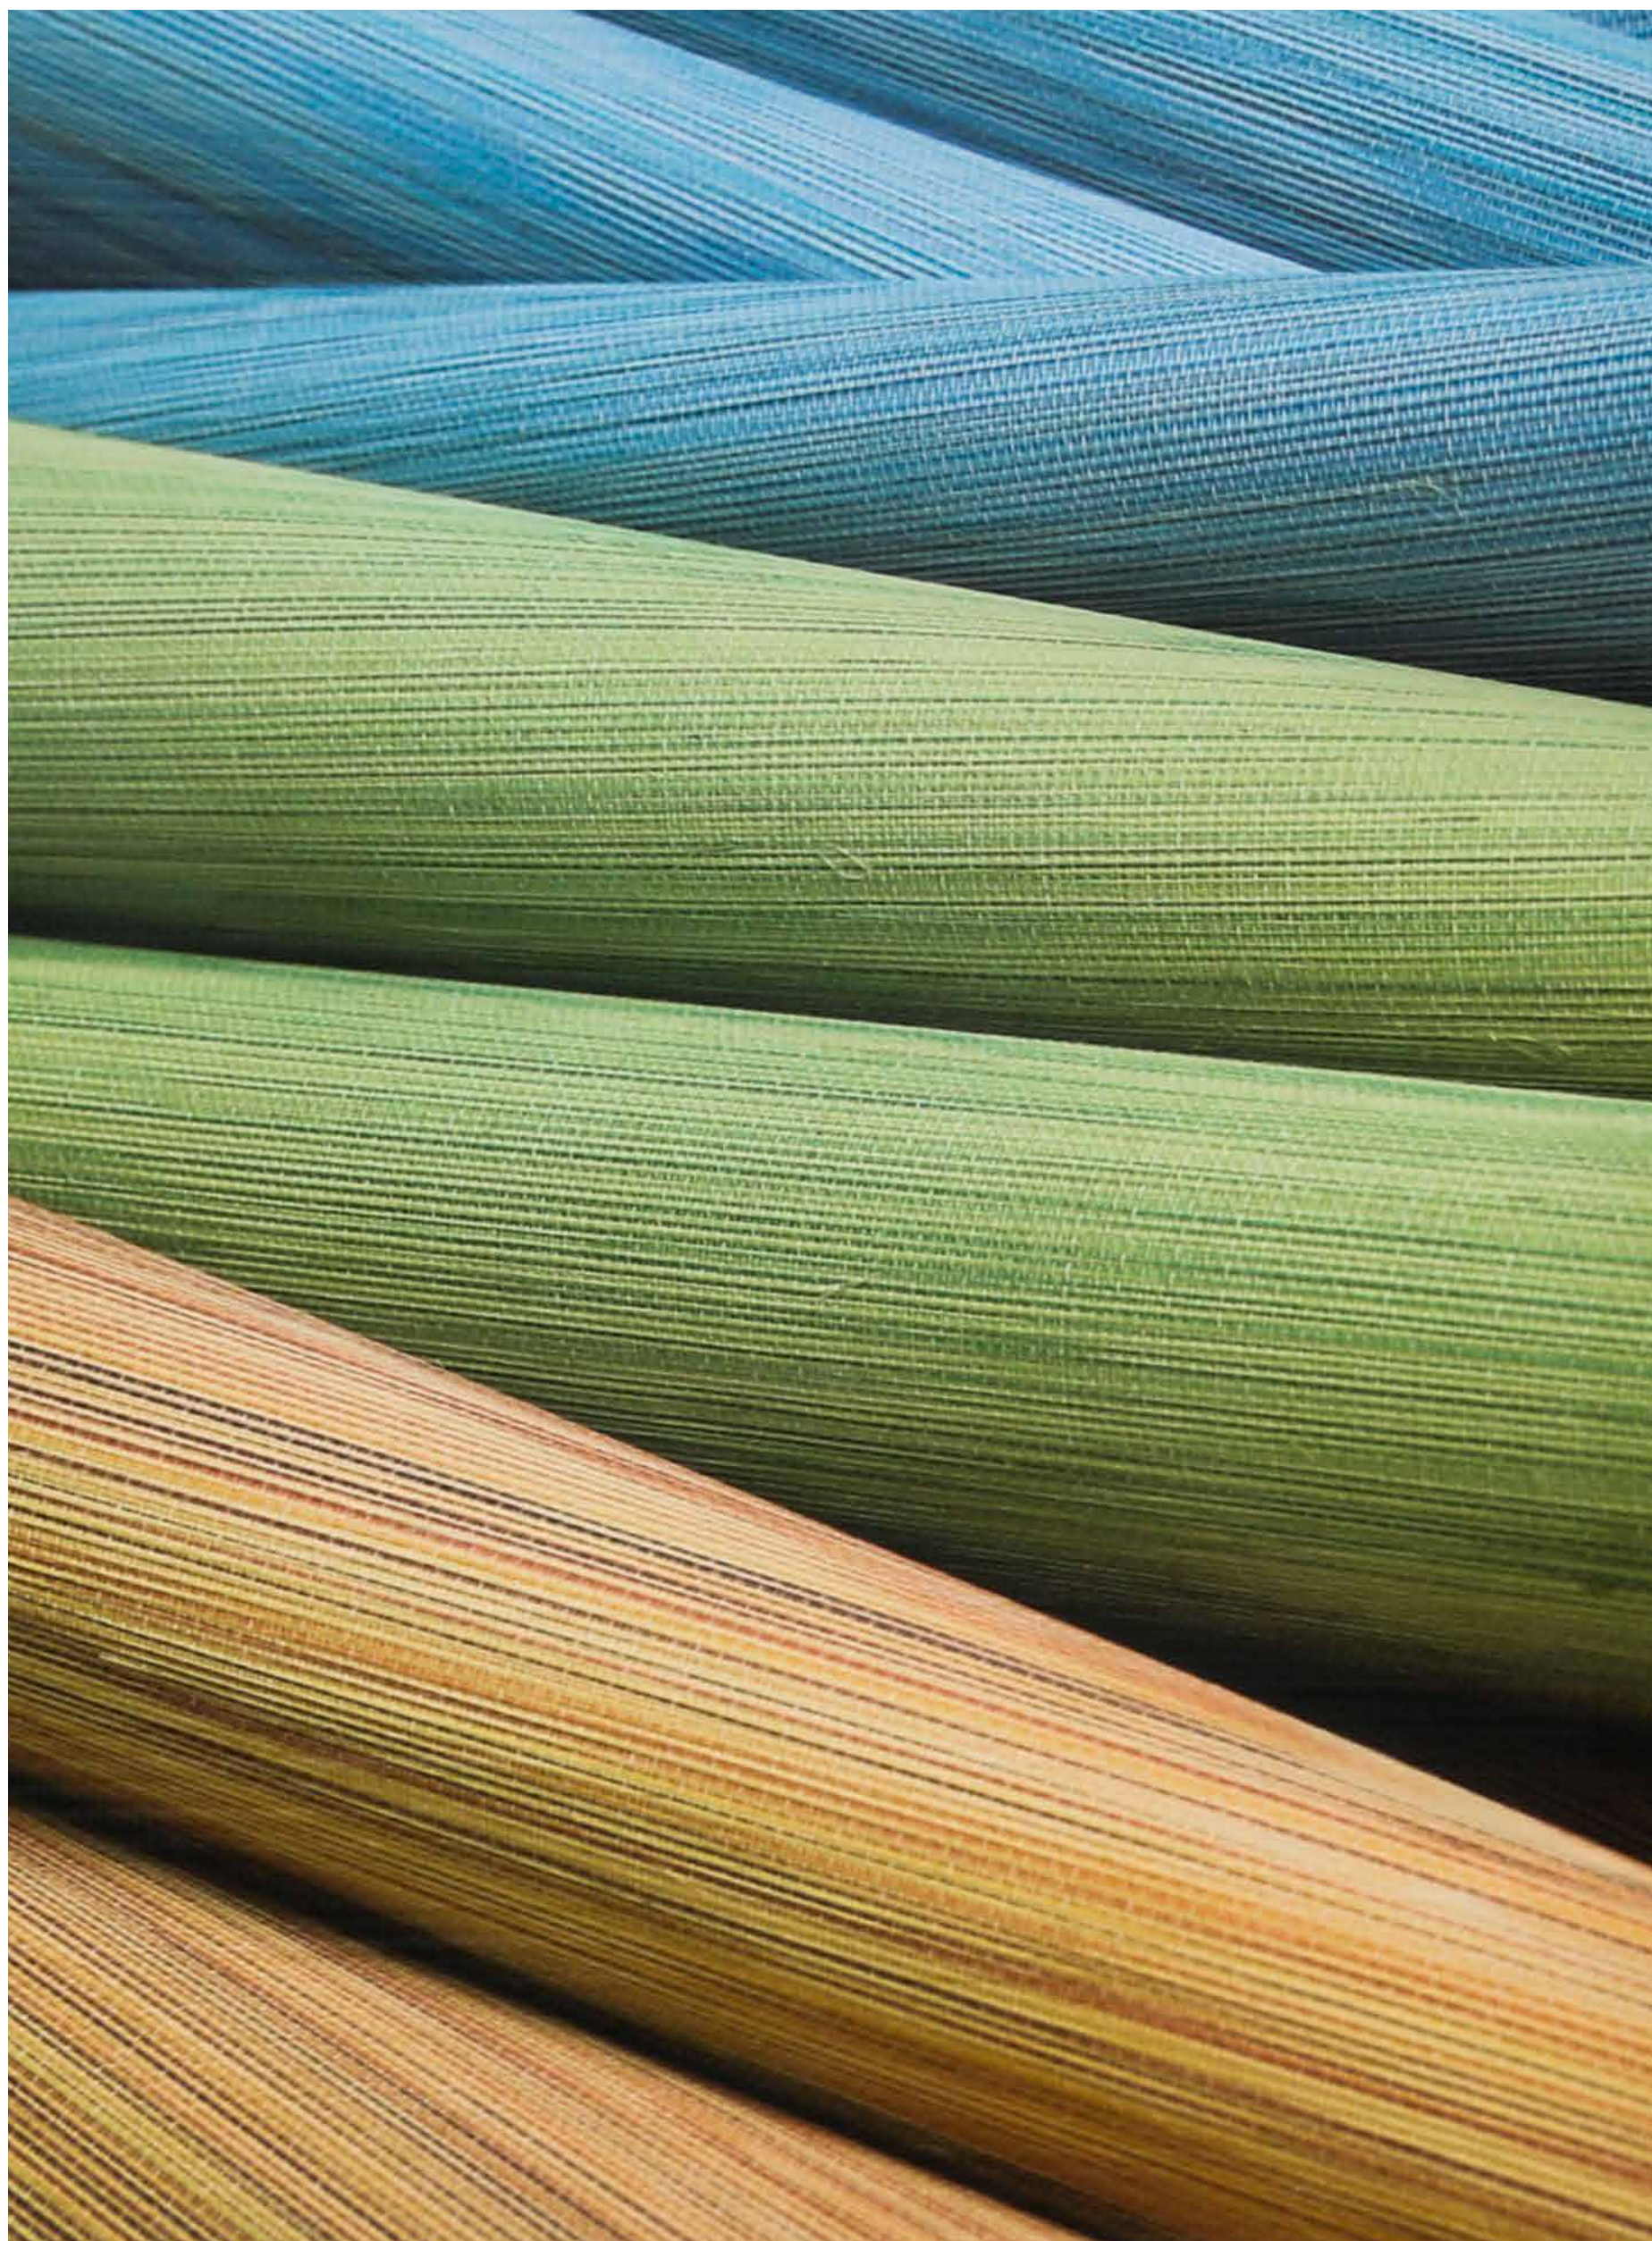

Sustainable materials of noble character are selected as the basis of our print wallcoverings, the process of creating luxury printed woven products is drawn-out from nature by choosing only the finest sustainable fibers; each rapidly-renewable and grown in well-managed ecosy stems. Each hand picked for color, texture and it's subtle variegations.

	Lead Time : 7 days	Flame Retardancy : Qualifies for use in Class A and Class1

**Memo Samples :** Memos available upon request.

**Instructions :** Installation instructions accompany all orders. A professional wallcoverings installer is recommended.

**Breathability :** All Vortex wallcoverings are highly breathable and will not promote the growth of mold or mildew.

**Custom Colors :** Custom colors are available. Minimum order for a Custom Color is 30 meters (33 yards ). Strike-off samples are provided for a swatch for color matching.

**Handcrafted :** As each order is handcrafted, there may be a slight variance in texture and color. This is part of the inherent beauty of handcrafted wallcoverings.

**Pricing :** Priced by the lineal meter.
