"The meaning of No.24 is 24 hours.  
I want to put all my energy into  
basketball.  
That's why I choose No.24. I'm not  
Kobe if I don't put my heart into it.  
24 is my best interpretation."

—Kobe Bryant

## METAL FABRIC

Interactive art

This pair of cheetahs  
gives people a sense of shock  
that can not be ignored.

It can communicate with  
pedestrians.
